

2010 Texas Junior Limousin Field Day

June 4-6, 2010 - Brazos County Expo Center

Greetings, Juniors

I hope you have had a great spring show season and looking forward to the summer field day. Please pay close attention to all entry deadlines, dates, locations, schedules, and hotel information and activities. Make sure you read and understand all the rules that govern the show and meet all eligibility requirements. If you have any questions whatsoever, please feel free to contact any Brad, Johnny, Ralph or myself.

As always, I look forward to the field day and getting to spend time with you and your families. The TJLA board and advisors is working hard to make this years show enjoyable, educational, and a special time for all attending the Texas Limousin 2010 "Family Reunion."

Good luck as you finish the spring semester and with all your activities. I hope you all are as excited about the TJLA and our upcoming event as I am. Remember seniors to check out the website for Scholarship applications. We will be awarding scholarships at our TJLA Banquet. If you are interested in becoming a TJLA board member you will find requirements and applications on the junior page of the website.

See you soon and may God bless you, your family.

Howdy!

Put June 4-6 on your calendars! I

I am Katelyn Smith, a senior at Stephenville High School and the current TJLA President. I hope you are planning to attend the TJLA Field Day June 4-6 in Bryan. It is always a lot of fun. We are going to have a photography contest and public speaking contest along with numerous other activities. In the past we have had a banquet and a game night, but this year we will also have a dance and might even get to go ice skating. I don't know about y'all, but that sounds like a lot of fun to me. It is always good to see old friends, but every year I am still able to meet new people at our Field Day. If you have never been I strongly encourage you to come because it's not your typical show atmosphere, it is MUCH better.

Sincerely,
Katelyn Smith

Show Rules

1. Sponsor and Eligibility.

The Texas Junior Limousin Association (TJLA) Sponsors the Texas Junior Field Day, and is open to all TJLA members. No one who was 22 years or older on Jan. 1, 2010, is eligible to show. Exhibitors must be current with their TJLA dues. Anyone who wishes to participate in the Field Day must be a TJLA member when submitting entries.

2. Animal Qualifications.

Females with 75 percent or greater Limousin blood and orange NALF registration papers born from Sept. 1, 2008, to Dec. 31, 2009, (inclusive) will be eligible to compete. Orange papered, 75 percent females are not eligible for the Lim-Flex show.

All bulls entered must be bred-and-owned. Bulls Registered as Lim-Flex (that is, having purple NALF registration certificates) born from Jan. 1 to Dec. 31, 2009, (inclusive) will be eligible to compete in the Lim-Flex bred-and-owned bull show. Bulls with 75 percent or greater Limousin blood and orange NALF registration certificates born from Jan. 1 to Dec. 31, 2009, (inclusive) will be eligible to compete in the bred and owned Limousin bull show.

Females registered as Lim-Flex (that is, having purple NALF registration certificates) born from Sept. 1, 2008, to Dec. 31, 2009, (inclusive) will be eligible to compete. Lim-Flex females that are 75 percent

A cow born on or before Aug. 31, 2008, with a natural calf at side is eligible to show in the Cow-Calf Division. The cow's percent Limousin will determine in which show the pair is eligible to compete. Cows with 75 percent or greater Limousin blood and orange registration papers will show in the purebred shows. Cows Registered as Lim-Flex (that is having purple registration papers) will show in the Lim-Flex show.

Steers must be registered half-blood or greater percentage Limousin to compete. Steers must have Registered Limousin sires or dams. Exhibitors must present Registration certificates at check-in. Exhibitors may not enter a bull in the bull show then castrate him for the steer show. Show officials will break classes and divisions by weight.

3. Entry Limit.

There is no limit on how many animals an exhibitor may enter and show.

4. Entries.

Junior exhibitors must register their animals in their own names, with certificates dated on or June 1st, 2010. Exhibitors must submit entries to the TLA office on official entry forms, bearing official U.S. postmarks of no later than May 15, 2010, to qualify for the \$35 per head entry fee. Entries postmarked after May 15, 2010, are subject to an entry fee of \$50 per head.

5. Bred-and-Owned.

To show in the bred-and-owned show, the female's or bull's tattoo must include the junior exhibitor's herd prefix; and the female's or bull's dam must have been registered to the junior exhibitor at the time the dam was bred to produce the animal. Embryo-transplant (ET) calves are eligible for the bred-and-owned show; however, the donor female must have been registered to the junior exhibitor at the time she was flushed to produce the animal.

Females with 75 percent or greater Limousin blood with orange or purple NALF registration papers born from September 1, 2008 to December 31, 2009 will be eligible to show. Cows with a natural calf at side are eligible, but calf must be registered and no more than 250 days old on June 6, 2010.

The family's prefix in the female's or bull's tattoo or family ownership of the dam at breeding does *not* qualify for the bred-and-owned show. No animals from partnership or lease agreement cows qualify.

Juniors may sell no more than 50 percent ownership of a bred-and-owned bull and still be eligible to compete with him in the bred-and-owned bull show. The exhibitor must keep full possession of that bull. All other bred-and-owned rules apply.

6. Fitting.

Show will be a blow and go. No pumping or artificial filling

Any use of adhesives, paints, hair coloring, colored show foam, graphite, colored powders or other substances that may be subject to disqualification.

The addition of any hair or hair like substances, including false tail heads and false polls.

The cutting, tearing or gluing of the hide or underneath the hide or removal of tissue in an attempt to alter the animal's shape.

The injection of any gas, solid or liquid under the hide to alter the animal's conformation.

7. Bedding

No outside bedding permitted. Shavings can be purchased for \$8 a bag from BCEC. Straw for tie outs can be purchased for 3 dollars a bale.

8. Stalling

Stalling will be on a first-come first serve basis.

9. Classes.
